Games Classes

HEINZ 57 is a point accumulation game the goal of which is to earn exactly 57 points. Points will be awarded according to obstacles successfully completed according to point value with one multiplier obstacle. Time stops on the table; live at all times. Times vary by class.

BOSTON BOWLING: The game consists of two short courses, each starting with a specific entry to one of two tunnels. The handler "bowls" his dog by sending the dog ahead into a tunnel entrance. Each dog-and-handler team has two bowls. The handler may not step over the penalty line (the start line) as she bowls her dog into one of the tunnel entrances. Boston Bowling is scored points then time. Time breaks ties in points.

JACKPOT is a two-part game. The first part is dog's choice, requiring the dog to accumulate at least the minimum required points for their level. In the second part the dog must be directed to a distance challenge which must be successfully completed for qualification. Jackpot is scored Points, then Time.

CONNECT THE DOTS: Objective is to use handler's choice path that includes "lines" of obstacles between the "dots" (the contact obstacles). Game is scored points, then time.

TUNNEL VISION is played on a course consisting of only pipe tunnels, and jumps. The obstacles must be taken in the numerical order specified by the judge. Tunnel Vision is scored points, minus faults, then time. The winner is the dog with the highest score

Judge's briefing, given 15 minutes prior to the start of judging, supersedes these descriptions of how to play the game.

A jump height exemption (next lower height) will also be granted to veteran dogs (dogs of at least 7 years of age). You may subtract one height for Veteran status and one for Body Exemption from Measured Jump Height. Some handlers prefer to jump at their Measured rather than Actual (exemption inclusive) Jump Height.

How the Fast Track Move-Up Works

Titles may be grand-fathered from other organizations on a "Fast Track" basis. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. Likewise, it is possible to move up from Games I to Games III by qualifying at each of the lower levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog.

FAST TRACK REQUEST:

Mark all that apply and return to the Trial Secretary

Dog's Name: _____

Dog's number: _____

Handler's Name: _____

Please mark each of the following that apply:

Beginners to: Intermediate Superior

Games I to: Games II Games III

Submit \$8.00, with this form, and a copy of your dog's title in another organization. These items should be mailed with your trial entry please. The Fast Track fee must be paid even if it has been paid for previous trials.
